[Announcer]: "A 13 year-old girl was raped over 100 times by a 39 year-old man.

When she got pregnant she visited a Planned Parenthood, twice.

Her mother didn't know. She took off from school for a surgical abortion, her

mother didn't know. Planned Parenthood never reported this predator, who continued

sexually abusing this girl for 6 more months. Sorry to burst your bubble but

someone needs to know. Vote 'yes' on Proposition 4 and help stop child predators."
